## DOCUMENTS: Environmental Policy Statement

### Policy Statement

We will take all reasonable measures to ensure that any employee, self-employed person and contractor under our control whose work activities have an impact on the environment are made aware of the contents of this Policy.

We recognise our legal obligations and duties and will take all reasonable measures to prevent, so far as is reasonably practicable, any breach of duty placed upon the Company by legislation and/or this Policy.

Our employees will at all times exercise diligence in ensuring that this policy is adhered to. Responsibilities of individuals are determined by their grade of employment as detailed elsewhere within this Policy.

### The Company commits to the following specific steps to minimise its effects on the Environment:-

- a). *Ensure that all staff are trained in Environmental Management issues in so far as they impact upon our operations and are made aware of this Policy Document.*
- b). *We will aim to reduce carbon dioxide emissions.*
- c). *We will aim to reduce, so far as is reasonably practicable, dust, noise and fume emissions so that they do not cause a nuisance to the community surrounding the place of work*
- d). *Recycling will be used as much as possible and where practicable waste production reduced.*
- e). *Office staff will be encouraged to use paper and other products sensibly and increase the use of electronic communication and record keeping.*
- f). *Commitment to continuous improvement in our environmental performance and the prevention and reduction of pollution.*
- g). *Identify objectives that are both consistent with this policy and which can be monitored and measured to ensure their continued suitability and provide a framework for continual improvement.*
- h). *Review this policy after changes in legislation or Company structure, in the light of additional knowledge or information becoming available, and in any event annually*
